Open questions

OPEN COMMENT

Question 1: Use the comments field below to formulate suggestions, positive comments or points for improvement for this course unit (in general). Leave your comments pertaining to individual lecturers in the lecturer section of this survey.

- 1) *De tweewekelijkse presentaties waren eerder een last dan een meerwaarde. Iedereen vertelde elke week ongeveer hetzelfde en je verloor er telkens een lesmoment mee. Die tijd zou beter besteed kunnen worden aan de voorbereiding van het project zelf. De presentaties zijn nuttig om iedereen op de hoogte te houden, maar om de twee weken is te veel.*
